II. ONLINE SERVICES

A. Online Services That We Provide.

You may use this website to learn about product and service offers that we may make available on the website and to create online access to your Account. You can use this website to obtain a loan and open an Account, to access your Account to obtain information about your loans or to make payments on your loans. You can also use the website, without establishing an Account, to apply for scholarships, register for college planning and financial literacy information, access financial literacy and college planning tools or to apply for employment with us.

B. Links to Third-Party Websites.

This website links to a third-party Internet Website that is integrated with or presented on this website in order to support online payments to your loan(s) using your Account. Please be advised that the third-party site is independent of this website, and that we exercise no control over the availability of that site. This website links to other third-party websites as described in "Links to Other Sites," below.

C. Marketing Preferences

We may ask you to indicate your preferences for how we can market to you. Once you have indicated your preferences, we will endeavor to honor your request. All marketing will be done in accordance with applicable state and federal laws and our Customer Financial Privacy Policy.

D. Online Payments

1. **General Description of Online Payment Features.** Online bill payment ("Online Payment") is a service available to our Account Holders who register on this website for Online Payment. Once registered, you may use Online Payment to authorize a one-time payment or to schedule recurring monthly payments on your loan(s). You acknowledge that the origination of electronic debit transactions from your bank account must comply with the current laws of the United States and the rules, as they may be changed from time to time, of the National Automated Clearinghouse.
2. **Regardless of the payment amount or payment effective date you schedule using Online Payment, you are responsible for complying with all of the terms and conditions of your Credit Agreement and your Account, including, without limitation, your agreement to make all payments when due and in the amount required by your Credit Agreement. When using Online Payment, you should schedule your payments in amounts and with effective dates that will satisfy your payment obligations. If you do not make a payment when due and in the amount required, we will have the rights and remedies available under your Credit Agreement or as otherwise available to us at law or in equity.**
3. **Automated Payments.** To set up automated payments to your loan(s), or to make a change to your automated payment, you must send in the Auto-Debit Authorization Form. You must continue to make payments on your loan(s) until you have received confirmation of your enrollment. You may suspend or cancel your automated payment by contacting us.
4. **Payment Funds.** Adequate funds must be available in the bank account where your payments are coming from when an Online Payment is processed. If a scheduled Online Payment fails due to insufficient funds for the full payment amount initiated, the loan(s) will not receive credit for the payment. You are responsible to make timely payments for the amount owed in accordance with the Credit Agreement and these Terms of Use.

5. Online Payment Fees. While we do not currently charge any payment transaction fee to use Online Payment, we reserve the right to do so upon notification to you. Nothing herein relieves you of your responsibility to pay any amount, fee or charge you may owe us under your Credit Agreement. You will be responsible for paying any amount you may owe other persons or companies related to the use of Online Payment or any bank account linked to Online Payment. For example, your bank may charge a fee in connection with electronic payments taken from your account with them for your loan(s) with us.

E. Failure to Effect Payment and Liability for Such Payments

If you attempt to make payments on your loan(s) through this website, or through an authorized third party acting on our behalf we will use reasonable efforts to complete bill payments according to your instructions. However, neither we nor any third-party service provider acting on our behalf will be liable in any way (including, but not limited to, payment processing errors or fees) if:

- Through no fault of ours or our authorized third party, you have insufficient funds or credit in your bank account to complete a payment transaction, or if your bank account has been closed;
- The Online Payment feature is not working properly and you knew or were told about the malfunction before you started the transaction, or should have reasonably been able to tell that something was wrong;
- You do not provide us with complete, accurate, and current payment and contact information, or if you otherwise do not give complete, correct, and current information to properly complete the requested transaction;
- You do not authorize a bill payment in time for your payment to be made and credited to the loan(s) by the due date;
- Withdrawals from the bank account you selected for automatic payments have been prohibited by an order from a court of proper jurisdiction for such things as a garnishment or other legal process;
- We or our authorized agent reasonably believe that a transaction may be unauthorized or fraudulent;

- Your computer, mobile phone, wireless service or any related equipment or software is, or was, not working properly;
- Circumstances beyond our, or our authorized third party's control prevent completing an online bill payment including, but not limited to, telecommunication outages, postal strikes and other labor unrest, delays caused by payees, fires, floods, and other natural disasters, terrorist acts or war.

III. REGISTRATION AND ACCOUNT/PROFILE CREATION

- A. While many portions and features of the Online Service can be accessed without registration (such as financial literacy, scholarship or college planning information), we may require that you register and/or set up an account/profile to access, visit and/or use certain portions of the Online Service, such as the Online Payment feature. In that case you may be provided, or required to choose, a password and/or User ID, and you may provide a credit, debit, or charge card number, or other payment information, as well as your name, telephone number(s), email and/or street address, and other personally identifiable information ("Registration Information"). Other information such as your age, gender, an avatar, and the number for your mobile or other device may also be requested. In addition, you may be asked to send us similar information via messaging (e.g., email, SMS, MMS, or other technologies). We may use and share your Registration Information as described in our Online Privacy Statement.
- B. You agree to provide current, accurate, and complete information about yourself when you use the Online Service to apply for a loan or for employment or to perform any other function on this website. Iowa Student Loan may decline your loan application or employment application; or terminate your use of the website if we believe that any information you provide about yourself is untrue, or the form has been altered. Any requests and/or submitted applications must first be reviewed and approved by us before becoming effective. You do not automatically qualify for financial aid by merely submitting any of the forms which we may provide through the website. You must contact the financial aid office at your school or us to obtain a student loan. When indicated, you may print and return a completed form to us depending on the type of student aid involved.
- C. You agree, represent, warrant, and guarantee that all Registration Information provided by you is true, accurate, complete, up-to-date, and solely yours. You

may not impersonate, imitate or pretend to be somebody else when registering and/or setting up an account/profile on the Online Service. If any of your Registration Information changes, you must update it promptly by using the mechanism or contact information on the Online Service and Online Policy Statement that allows you to change or update your Registration Information, if available.

WE AND OUR INDEMNITEES (AS DEFINED BELOW), SHALL HAVE NO LIABILITY ASSOCIATED WITH OR ARISING FROM YOUR FAILURE TO MAINTAIN ACCURATE, COMPLETE OR UP-TO-DATE REGISTRATION INFORMATION, INCLUDING WITHOUT LIMITATION YOUR FAILURE TO RECEIVE CRITICAL INFORMATION. NEITHER WE NOR OUR INDEMNITEES SHALL BE RESPONSIBLE FOR VERIFYING YOUR REGISTRATION INFORMATION.

- D. We reserve the right at any time, with or without notice, to remove or require a change to or repossess any password and/or User ID that has been provided to you, any avatar you may be using or other Registration Information, or otherwise change the access means or methods for the Online Service.
- E. You will be solely responsible for maintaining the confidentiality of your Registration Information. You may not authorize or permit anyone else to access and/or use your Registration Information, or access, visit and/or use the Online Service by use of your account/profile and/or Registration Information. You may not access and/or use anyone else's Registration Information, or access, visit and/or use the Service by use of anyone else's account/profile and/or Registration Information. You may not sub-license, transfer, sell, rent or assign your Registration Information to any third party without our written approval. Any attempt to do so will be null and void and shall be considered a material breach of these Terms of Use.
- F. You are solely responsible for all access or visitation to, usage of, or activity on, your account/profile including, but not limited to, use of the account/profile by any person who uses your Registration Information, with or without authorization, or who has access to any computer, mobile or other device on which your account/profile resides or is accessible. You acknowledge and agree that we may, and you specifically authorize us to, process all transactions that are initiated by use of your Registration Information.

G. If you have reason to believe that your account/profile is no longer secure (for example, in the event of a loss, theft or unauthorized disclosure or use of your Registration Information), you must immediately change the affected Registration Information by using the mechanism or contact information on the Online Service or in the Online Policy Statement, if available, and/or close the account/profile.

Your consent to receive communications and do business electronically, and your agreement to do so applies to all of your interactions and transactions with us.
- B. You understand and agree that using the Online Service may include receiving certain communications from us, such as transactional or relationship messages, and/or messages about your account/profile, and that these communications are considered part of your account/profile and you may not be able to opt out of receiving them without ceasing to be a registered user of the Online Service.
