## Arkansas Family Education Loan

The Arkansas Family Education Loan is a private loan option for parents, family members and others who wish to help undergraduate and graduate students who are Arkansas residents or who are attending a college or university in Arkansas with college costs. Applicants who do not meet the underwriting and credit criteria on their own may apply with cosigners. The loan features:

- Fixed rates.
- Multiple repayment options.
- An interest rate reduction for using auto-debit during repayment.
- A cosigner release option.

## Students cannot apply for or cosign an application for the Arkansas Family Education Loan. The student has no obligation to repay this loan, and it is not transferrable to the student after they leave school.

Note: Aspire Servicing Center ${ }^{5 n}$ has a contractual relationship with the Arkansas Student Loan Authority (ASLA), which operates under the Arkansas Development Finance Authority, a division of the Arkansas Department of Commerce, wherein Aspire Servicing Center performs certain private student loan (private loan) services for ASLA.

## Repayment Options

The Immediate Payment options require that monthly payments of principal and interest begin immediately - while your student is enrolled in school - after the loan is fully disbursed. ${ }^{1}$ These options also feature our lowest interest rates.

The Interest-Only Payment options require that monthly payments of interest begin immediately after the loan is first disbursed and feature a six-month separation period - once your student graduates, leaves school or drops below half-time enrollment and before the principal and interest repayment period begins - during which interest-only payments are required. ${ }^{2}$
Note: Interest-only payments cannot be made using our auto-debit system because the amount will change each month.

In addition, you choose between 10-year and 15-year repayment terms. For more information, view the detailed interest rate information and examples on the following pages.

## Loan Amounts

The Arkansas Family Education Loan must be:

- No more than the cost of attendance minus other aid annually.
- At least $\$ 1,001$.
- No more than \$100,000 cumulative.

## Interest

Interest capitalizes at:

- The end of any qualifying deferment period for all loan options.
> The final disbursement of loans that require monthly principal and interest payments while the student is enrolled in school and that have more than one disbursement.

## Repayment Benefits

## Interest-Rate Reduction

Earn a $0.25 \%$ interest rate reduction on your Arkansas Family Education Loan by making auto-debit payments when you begin principal and interest repayment.

The $0.25 \%$ interest rate reduction will apply once Aspire Servicing Center begins to automatically deduct payments and will remain in effect as long as automatic payments continue without interruption during the repayment period. The $0.25 \%$ interest rate reduction will not lower the monthly payment amount but will instead reduce the interest amount that accrues. The interest rate reduction will be suspended during approved assistance or if automatic payments are rejected due to insufficient funds.

## Cosigner Release

Arkansas Family Education Loan borrowers can release their cosigners from payment obligations:

- After 48 consecutive monthly principal and interest payments are received on time.
- If the borrower meets the underwriting and credit criteria at the time the cosigner release is requested.

## Armed Forces Interest Reduction

ASLA recognizes and appreciates the sacrifices made by members of the military and their families. To assist service members with their student loan, we offer an Armed Forces interest reduction program. Through the program, service members can get interest reduced to $0.00 \%$ on their private student loans.

You may be eligible for the program if you meet all the following requirements:
> While on federal active duty, you have a non-defaulted private student loan owned by ASLA during the period of eligibility.

- You are deployed between Sept. 11, 2001, and June 30, 2025.

Note: ASLA is required to issue a 1099-C form to the IRS and the borrower reporting a reduction of indebtedness of $\$ 600$ or more. You should consult your tax adviser regarding any tax consequences resulting from an interest reduction.
