## Repayment Benefits

### Interest-Rate Reduction

Earn a 0.25% interest rate reduction on your Arkansas Refinance Education Loan by making auto-debit payments.

The 0.25% interest rate reduction will apply once Aspire Servicing Center begins to automatically deduct payments and will remain in effect as long as automatic payments continue without interruption during the repayment period. The 0.25% interest rate reduction will not lower the monthly payment amount but will instead reduce the interest amount that accrues. The interest rate reduction will be suspended during approved assistance or if automatic payments are rejected due to insufficient funds.

### Cosigner Release

Arkansas Refinance Education Loan borrowers can release their cosigners from payment obligations:

- ▶ After 48 consecutive monthly payments are received on time.
- ▶ If the borrower meets the underwriting and credit criteria at the time the cosigner release is requested.

### Armed Forces Interest Reduction

ASLA recognizes and appreciates the sacrifices made by members of the military and their families. To assist service members with their student loan, we offer an Armed Forces interest reduction program. Through the program, service members can get interest reduced to 0.00% on their private student loans.

You may be eligible for the program if you meet all the following requirements:

- ▶ While on federal active duty, you have a non-defaulted private student loan owned by ASLA during the period of eligibility.
- ▶ You are deployed between Sept. 11, 2001, and June 30, 2027.

**Note:** ASLA is required to issue a 1099-C form to the IRS and the borrower reporting a reduction of indebtedness of \$600 or more. You should consult your tax adviser regarding any tax consequences resulting from an interest reduction.

## Eligibility and Underwriting Criteria

Arkansas Refinance Education Loan borrowers and cosigners cannot have defaulted on any private or government student loan. In addition, borrowers and cosigners must be U.S. citizens or permanent residents residing in the United States. Military addresses are considered U.S. addresses if designated as an APO or FPO.

To qualify for the Arkansas Refinance Loan, you or your cosigners must have:

- ▶ Monthly payments for approved credit (mortgages, rent, car loans, credit cards and other forms of credit) that do not exceed 50% of gross monthly income (if a mortgage or rent is not included, debt-to-income ratio cannot exceed 35%). All student loan debt will be treated as though it is in repayment. Applicants and/or cosigners with a mortgage who earn a combined income greater than or equal to \$100,000 per year must have monthly payments for approved credit (mortgages, rent, car loans, credit cards and other forms of credit) that do not exceed 45% of gross monthly income.
- ▶ A FICO score of at least 660. (The FICO score used is the TransUnion FICO Score 8, which is based on data from TransUnion and may be different from other credit scores. FICO is a registered trademark of the Fair Isaac Corporation.)
- ▶ No more than two accounts reporting 30-day delinquencies and no delinquencies of 60 days or more during the previous two years.
- ▶ No charge-offs, repossessions, collection accounts, judgments, foreclosures, garnishments by credit providers or tax liens.
- ▶ No previous bankruptcies.

Please note that the list of criteria above may not be exhaustive. ASLA may require you or your cosigners to meet additional criteria in order to qualify for a loan. ASLA reserves the right to change the list of criteria in any way from time to time without notice.
