Interest-Rate Reduction

Earn a 1.00 interest rate reduction by making auto-debit payments when you begin principal and interest repayment.

The 1.00% interest rate reduction will apply once Aspire Servicing Center begins to automatically deduct payments and will remain in effect as long as automatic payments continue without interruption during the repayment period. The 1.00% interest rate reduction will not lower the monthly payment amount but will instead reduce the interest amount that accrues. The interest rate reduction will be suspended during approved assistance or if automatic payments are rejected due to insufficient funds.
