

Cosigner Release Application

Please read entire application before signing.

I request to have the cosigner(s) listed on my eligible private student loan(s) released from the obligation to repay my loan(s). I understand that my request will be approved if 1) my loan program permits a cosigner release, 2) I have demonstrated a satisfactory history of making the required number of consecutive, scheduled principal and interest payments prior to the submission of this application, and 3) I meet the other eligibility requirements as described in the Credit Agreement(s) that I signed. Consequently, some of my loans may allow for cosigner release, while others may not and if my application is approved, you will release my cosigner(s) from all my loans where cosigner release is currently an option.

Complete both pages of this application and submit them along with copies of the document(s):

- If you are employed, you must submit a copy of your most recent pay stub **and** all Form W-2 documents for each of the prior two years.
- If you are self-employed, you must submit a copy of your tax returns with applicable schedules for each of the prior two years.
- If you are retired, you must submit proof of your retirement income (e.g., 1099 tax form, pension/annuity/Social Security disbursement letter or monthly statement).
